

Welcome to the **Sno-Isle Libraries Educator Newsletter** for June 2024. In this issue, you will find information about Summer Reading, summer break resources, and more.

Thank you for teaching and caring for students this school year. We hope you have a great summer!

Summer Reading Toolkit

Summer Reading at Sno-Isle Libraries starts June 1. **This year's theme is Adventure Begins at Your Library!** All reading counts, including being read to and listening to an audiobook. Kids and teens who read for 10 hours will get a free book and a sticker.

To help spread the word to students and families, use these PowerPoint presentations for [kids](#) or [teens](#). The presentation is also available in [Spanish](#).

You can also share this digital bookmark with a mini reading log via email ([English](#) | [Spanish](#)) or request printed copies from your local library.

Want to schedule a time for library staff to visit your school to talk about Summer Reading? Use the [School Support Form](#) to connect with staff.

[Kids](#) and [teens](#) can enjoy digital comic books and graphic novels on [Hoopla](#), including popular series like "Dog Man" and "Wings of Fire." And teens will enjoy popular [fiction](#) and [nonfiction](#) eBooks with our CloudLibrary Express Collection.
