## LANGLEY LIBRARY FURNITURE SPECIFICATIONS | NO. 2024.05.15

### ADDENDUM # 1 - May 28, 2024

#### QUESTIONS AND ANSWERS

1. *Andreu World – CH-5 & CH-6 Flex chairs: Since fully upholstered is listed on the spec pages, there is no back shell finish color option of White 6000. The back shell will be upholstered, no longer White 6000.*
2. *Kimball – CH-2 Carnegie COM A: The back upholstery is not approved by Kimball. A new Kimball approved COM textile will need to be specified.*  
New Upholstery Specification for CH-2 COM A:

  - MFR: Carnegie
  - Style: Gumption
  - Color: 6266-8
  - Content: 90% Polyester; 10% Cotton
  - Durability: 100,000+
  - No Finish
3. *When will the library renovations be completed and when will the furniture need to be installed by?*  
The anticipated final acceptance date from the General Contractor is mid-November 2024. The winning bidder will be expected to work with the owner to coordinate the timing of delivery and installation.
4. *Is there a dealer registration process at Sno-Isle Libraries for this bid?*  
No.
5. *Since you are trying to Sole Source this and are open to alternatives, are you truly open to seeing options for one or two of the items we don't have access to?*  
Yes, we are open to consideration of any proposed substitutions or alternatives.
